Banff comes to Bozeman with Mountain Film Festival

Bridger Ski Foundation brings the spirit of outdoor adventure back to Bozeman with the Banff Centre Mountain Film Festival World Tour at the Willson Auditorium, January 17th to 19th. Screenings on Friday and Saturday begin at 7pm, with Sunday’s show closing out the weekend at 6pm.

Banff Centre’s Mountain Film & Book Festival is the largest and one of the most prestigious mountain festivals in the world. Hot on the heels of the main event held every fall in Banff, Canada, the Mountain Film Festival World Tour hits the road.

Traveling to exotic landscapes and remote cultures, and bringing audiences up close and personal with adrenaline-pumped action sports, the 2019/2020 World Tour is an exhilarating and provocative exploration of the mountain world.

From approximately 400 films entered into the annual festival, award-winning films and audience favorites are among the films chosen to travel the globe. This year’s tour features a collection of the most inspiring action, environmental and adventure films from the festival. Find a list of this year’s films by visiting www.banffcentre.ca.

Admission on Friday and Saturday is $17, and $14 on Sunday. Doors at 6pm and 5pm, respectively. To purchase advance tickets and to learn more about the event, visit www.bridgerskifoundation.org. Proceeds from the Bozeman screenings benefit the nonprofit community ski organization.

Bridger Ski Foundation offers educational and competitive programs in Nordic, Freestyle, Freeskiing, Snowboarding and Alpine skiing. They also groom 70+ km of community Nordic ski trails for the Bozeman public. BSF focuses on inspiring a lifelong love of skiing, athletic excellence and personal growth.
